*Main Building of the*
*Cheney Hammer Division, Prentiss Vise Company*
*Little Falls, New York*

EVERY modern facility for the manufacture of really high quality products is installed in this plant. Pride in perfection of product has been the moving spirit of the organization since it was established, ninety years ago.

Cheney Hammers are known the world over and find popular favor among craftsmen, in many climes, who appreciate *good tools.*

Every hammer produced in the Cheney Plant is unqualifiedly guaranteed. A long standing reputation and experience is behind it.

Adjoining the main building, illustrated above, is a large drop-forging plant and warehouse in which are carried large stocks of all models of Cheney Hammers, ready for immediate shipment.
